CLAIMS FOR RELIEF

COUNT I

(Avoidance of Preferential Transfers Pursuant to 11 U.S.C. § 547(b))

13. The Plaintiff incorporates by reference the allegations set forth in Paragraphs 1 through 12 above, as if fully stated herein.

14. During the Preference Period, the Defendant received the Transfers from the Plaintiff.

15. Each of the Transfers constitutes a transfer of an interest in the Plaintiff's property.

16. Each of the Transfers was made, or caused to be made to the Defendant.

² Exhibit A reflects the Plaintiff's current knowledge of the Transfers (made by check, wire transfer or their equivalent) to the Defendant during the Preference Period. During the course of this proceeding, the Plaintiff may learn (through discovery or otherwise) of additional transfers made to the Defendant during the Preference Period. It is the Plaintiff's intention to avoid and recover all such transfers, whether such transfers are presently reflected in Exhibit A or not. Accordingly, the Plaintiff reserves its rights to supplement and/or amend this information as necessary and appropriate.

17. Each of the Transfers was made, or caused to be made, for or on account of one or more antecedent debts owed by the Plaintiff to the Defendant prior to the date on which such Transfer was made.

18. The Defendant was a creditor of the Plaintiff at the time of the Transfers within the meaning of Section 101(10)(A) of the Bankruptcy Code.

19. At the time of each of the Transfers, the Defendant had a right to payment on account of an obligation owed to the Defendant by the Plaintiff.

20. The Transfers were to or for the benefit of a creditor within the meaning of Section 547(b)(1) of the Bankruptcy Code because the Transfers either reduced or fully satisfied a debt then owed by the Plaintiff to the Defendant.

21. The Transfers were made for or on account of an antecedent debt for which the Plaintiff was legally bound to pay.

22. The Transfers were made while the Plaintiff was insolvent because the value of the Plaintiff's assets at a fair valuation was less than the sum of its debts.

23. As a result of the Transfers, the Defendant received more than it would have received if:

- (a) The Plaintiff's bankruptcy case was case under Chapter 7 of the Bankruptcy Code;
- (b) The Transfers had not been made; and
- (c) The Defendant had received payment on its debt to the extent provided by the provisions of the Bankruptcy Code.

24. Based on the foregoing, the Plaintiff is entitled to avoid the Transfers pursuant to Section 547(b) of the Bankruptcy Code.

COUNT II
(Avoidance of Transfers as Fraudulent Transfers pursuant to 11 U.S.C.
§ 548(a)(1)(B))

25. This Count is in the alternative to Count I.

26. The Plaintiff incorporates by reference the allegations set forth in Paragraphs 1-12 above, as if fully stated herein.

27. To the extent the Transfers identified in Exhibit A were payments on account of obligations or antecedent debts owed to the Defendant for which the Plaintiff was not liable, the Plaintiff did not receive reasonably equivalent value in exchange for the Transfers.

28. The Transfers identified in Exhibit A were made at a time when the Plaintiff was insolvent because the value of the Plaintiff's assets at a fair valuation was less than the sum of its debts.

29. The Transfers identified in Exhibit A were made within two years of the Petition Date.

30. Based on the foregoing, the Plaintiff may avoid the Transfers as fraudulent transfers pursuant to 11 U.S.C. § 548(a)(1)(B).

COUNT III
(Recovery of Avoided Transfers Pursuant to 11 U.S.C. § 550)

31. The Plaintiff incorporates by reference the allegations set forth in Paragraphs 1 through 30 above, as if fully stated herein.

32. To the extent that the Transfers are avoided under Sections 547(b) or 548(a)(1)(B) of the Bankruptcy Code, the Plaintiff is entitled to recover, for the benefit of the Plaintiff's estate, the Transfers or the value of the Transfers from the Defendant or any immediate or mediate transferee of the Defendant pursuant to Section 550(a)(1) of the Bankruptcy Code.

WHEREFORE, the Plaintiff respectfully requests that the Bankruptcy Court enter relief and judgment in its favor and against the Defendant as follows:

- (a) Declaring that the Transfers identified herein (and any other Transfers from the Plaintiff to the Defendant during the Preference Period are avoided and set aside as preferences under Section 547 of the Bankruptcy Code;
- (b) Alternatively, declaring that the Transfers identified herein (and any other Transfers from the Plaintiff to the Defendant within two years of the Petition Date) for which the Plaintiff did not receive reasonably equivalent value are avoided and set aside as fraudulent transfers under Section 548 of the Bankruptcy Code;
- (c) Directing and ordering that the Defendant, or any immediate or mediate transferee of the Defendant, turn over to the Plaintiff the full amount of or value of the Transfers (and any other avoided Transfers discovered after the date of this Complaint) pursuant to Section 550 of the Bankruptcy Code;
- (d) Awarding judgment against the Defendant and in favor of the Plaintiff in an amount equal to:
 - (i) \$181,050.00;
 - (ii) Pre-judgment interest at the maximum legal rate running from the time of the Transfer until the date of judgment herein;
 - (iii) Post-judgment interest at the maximum legal rate running from the date of judgment herein until the date the judgment is paid in full; and
 - (iv) Fees and costs incurred by the Plaintiff in this suit;

(e) Disallowing any and all claims of the Defendant against the Plaintiff's estate under Section 502(d) of the Bankruptcy Code; and

(f) Such other and further relief as is necessary and proper.

Dated: February 4, 2011

Respectfully submitted,
